Special Condition #5: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On March 16, 2020, Mr. Pederson was in direct violation of special condition #5 by failing to abstain from illegal substances.

On January 11, 2018, the undersigned officer met with Mr. Pederson. He was given a copy of his judgment and his conditions of supervision were explained to him. He signed his judgment reflecting he understood his conditions in full.

On March 16, 2020, Mr. Pederson supplied a urine sample at Pioneer Human Services (PHS) that tested presumptive positive for methamphetamine. He denied the use and signed a denial of drug use form. The urine sample was sent to Alere Toxicology Labs (Alere) for further analysis.

On March 21, 2020, Alere confirmed the urine provided was positive for methamphetamine.

On March 23, 2020, the undersigned officer called Mr. Pederson and confronted him regarding the Alere report. Mr. Pederson was given directives to call PHS to discuss his recent relapse on methamphetamine. He reported he would call his chemical dependency counselor that day.

The U.S. Probation Office respectfully recommends the Court to incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court.
